"I have used Skin Detox for 8 years. Last year I ordered incorrectly and for just over 1 month I did not have any Skin Detox. My skin broke out in pimples and I thought it was due to my menstrual cycle, but the pimples stayed. In the interim I had started using my Skin Detox again and within the space of 2 days, my skin improved dramatically. After 1 week all the pimples were gone." Mandie Kruger

CONSULTANT PROFILE

Herculine eats, drinks and sleeps Annique

Herculine Stander, Annique's Number 10 Leader, has been with Annique for 30 years. She had speedy growth in her business from day one. Within five months of joining the business in May 1982, she became an area manager and was awarded the title of top consultant in the country. Some of her highlights with the business include her being awarded two Mia Venter paintings, travelling almost every year to exotic destinations and serving as the Lifestyle Slimming Project Manager for seven years. In February 2012, Herculine underwent a regular hysterectomy which ended up in complications and was unable to work until June 2012. Her business continued to function while she was in hospital and allowed her to earn an income regardless. "Annique means so much to me, it has grown my personality and given me incredible training. I drink, eat and sleep Annique," she says
